Information, Advice and Support (0-25)

The role of the SENDIAS SEN Support Worker

SEN Support workers will provide information, advice and support on what families can expect from their child/young person's education setting by:

- Understanding legal process such as assess, plan do review and the graduated response.
- Prepare/attend school/college meetings including SEN Support Review
- Signposting to other agencies.
- Supporting a child/young person at risk of exclusion.

If you would like further help and support, please follow the link below to the SENDIAS referral form.
